

Coolhand hot plate holder

Brand: NRS Healthcare
Product Code: L68639
Availability: 20
Weight: 0.00kg

Price: £6.68

Short Description

Prevents scalding when handling hot plates for those with reduced grip or hand function.

Description

Coolhand hot plate holder, handy help to avoid burnt fingers when removing hot plates from the microwave.

The light, strong Coolhand simply grips and releases plates as simply as using your hand.

Ideal for those with arthritis and limited hand dexterity, the Coolhand uses the power of leverage so that the entire hand takes the weight of the plate instead of just the wrist.
