Short Description

Pantyhose Aid helps people to put on tights without bending down to the feet.

Description

Pantyhose-aid is a convenient dressing aid, makes it easy to put on tights and stockings. The moulded body guides the pantyhose (tights) or stockings over the feet, while the looped handle reduces the need to bend down.

- Makes putting on tights and stockings easier reducing the need to bend
- Guide the pantyhose/stocking over the moulded body and then slip over the feet and pull up using the looped handle
