Availability: 30
Weight: 0.00kg
Tax: VAT 20% Applied

Price: £7.19

Short Description
Allows those with reduced hand function to join in a game of cards.

Description
Card holder is ideal for use by people who have poor grip. Consists two plastic discs held together by a spring

Simply put the cards in the card holder and turn the disks - the cards will form a perfect fan.

Once sorted, the card holder will then grip the cards throughout the game in suit, run or colour.

Cards sold separately see E85317.
