Breeze midi 4

Brand: TGA
Product Code: BREEZEMIDI4
Availability: 5
Weight: 125.00kg

Price: £3,848.00

Short Description
The new TGA Breeze Midi 4 brings to market a higher level of design features that now provide further comfort, reliability and safety.

Description
TGA Breeze Midi 4 Building on the proven heritage of the popular larger Breeze models, this new Tga Breeze midi 4 version incorporates enhanced sharper looks, a disc braking system, fully orthopaedic seat and energy absorbing front and rear bumpers.

The tiller encompasses Delta 'Wig Wag' control levers and a gas sprung actuator which is easily adjustable for optimum ergonomic positioning for the owner. For fast status recognition, the easy-to-read LCD control panel displays all the relevant information the user requires in a simple format and safety is enhanced by a water-protected ignition switch.

If technical updates need to be uploaded or parameters changed, then the onboard computer can be accessed via the charging socket.
