Breeze midi 3

Brand: TGA
Product Code: BREEZEMIDI3
Availability: 5
Weight: 110.00kg

Price: £3,848.00

Short Description
The new compact version of the Breeze 3 features updated looks, disc brakes, orthopaedic seat and new energy absorbing bumpers.

Description
The updated disc brakes of Breeze midi 3 scooter are more responsive and incorporate an emergency stopping system if the user loses control of the scooter.

A set of 50ah batteries will allow the user to enjoy journeys over 34miles to a full charge, with a ground clearance of 3.5in and sturdy construction it allows you to tackle terrain that is not the smoothest.

Similar to its 4-wheel sister, the easily manoeuvrable Breeze Midi 3 encompasses full front and rear suspension which delivers a smooth, sturdy ride across both even and rough surfaces whether travelling at slow speeds or its top limit of approximately 12.8km/h (8mph).

Powered by 2 x 50A batteries, the Breeze Midi 3 has a range of 50-55km (31.1-34.2miles), can drive safely up a 9.5% incline and an impressive ground clearance of 90mm (3.54") which is ideal for driving off road in a more rural location.
