**Short Description**
The Pride Colt Executive is the flagship of the Colt range of mobility scooters. A high performance 8mph road legal mobility scooter, the Colt effortlessly blends power and luxury.

**Description**
Colt Executive is the most stylish scooter, and comes with a wealth of high performance features as standard.

The Colt features all the high end features you could hope for: full suspension, sealed hydraulic brakes, extra large low-profile tires, advanced LED lighting, including directional signals, and quick adjust tiller.

The suspension features a mono-shock unit at the rear. This lets the Executive feel both comfortable and sporty, without the mushy feel of some large suspension scooters.

Plush captains style seat with with a pillow top that is fully adjustable and rotates for ease of access.

An excellent choice for anyone looking for comfort and style backed up by Pride's renowned reliability.
