Description

Illuminated-magnifier is a lightweight 102 mm handheld magnifying glass with a Silver/Black plastic frame and handle. Includes 2 LED lights (requires 3xAAA batteries, not supplied) and offers 5x magnification. The handle has two cleverly-designed hinged points, which can be used to create a stand and allows for hands-free use of the magnifying glass. The Illuminated Magnifier also has pre-drilled holes either side of the magnifying glass for cord to be passed through, so it can be rested around the neck. Ideal for use in the home, office, studio or workshop for general reading, hobbies, crafts, maps, etc.
