Short Description
Facial Spa with Aromatherapy Diffuser is ideal for regular at-home pampering.

Description
Ideal for regular at-home pampering, the Facial Spa features a large facial sauna attachment for full face steaming, plus a specially-shaped attachment for concentrated treatment of the T-zone or mouth and nose. Use the facial steamer as part of your regular beauty and skincare routine and enjoy relief from congestion or similar conditions with the nasal attachment. Your choice of scented oils can also be added for an aromatherapy experience, which can really boost the effectiveness of the treatment. (Please note: Due to a printing error the box incorrectly states that there is a Steam Controller on this unit.)

- Easy to clean and operate with non slip base and power indicator light
- Also ideal for easing congestion and similar conditions
- Add your favourite essential or aromatherapy oils
- Use as part of your regular skincare regime for visible results
- Complete Facial Spa kit includes full face steamer, T-zone attachment and measuring jug
