Knork Fork

Brand: NRS Healthcare
Product Code: L99740
Availability: 20
Weight: 0.00kg

Price: £9.99

Short Description
Knork Knife & Fork in One.

Description
Enable easier eating for people with reduced grip, hand or arm function.

The Knork is a fork with a wide, rounded and bevelled outer edge that will safely cut food like a knife, without a sharp edge to cut the user.

The Knork slices through food by means of a rocking motion which is made possible by a finger platform on each side of the handle.

It is suitable for both left and right handed users. Ideal for one handed use.
