Description
This set of 2 grips has been designed to fit virtually any dining utensils, plus many other household items too such as pencils, pens, toothbrushes and more. The soft, silicone handle is large in size and textured to help enhance grip for the user. The large grip will help ease pressure on joints, allowing daily tasks to be performed without discomfort or pain. Tenura cutlery grips are fully washable and long lasting, perfect for use in domestic, care and clinical environments to help maintain an independent lifestyle. They are an ideal kitchen aid or personal aid for users who suffer from arthritis and those with weakened grip or limited dexterity.
