Short Description
Massage Boot with Heat is fleece-lined massage boot with heat features two powerful motors, separate heat control and two massage levels

Description
The fleece-lined massage boot with heat features two powerful motors, separate heat control and two massage levels. The Massage Foot Warmer has a soft, removable fleece lining that is machine washable and is treated to prevent lingering foot odour. The exterior material is a soft-touch micro-suede and the boot will fit up to a man's size 15 foot. The handheld controller adjusts both heat and massage; soothing cold, tired or aching feet.

- Micro-suede exterior with a treated, removable fleece lining
- Suitable for men and women up to shoe size 15
- Soothes cold, tired feet and helps to stimulate circulation
- 12 V AC Adaptor Supplied
- Handheld controller for heat and massage settings
