Scooter shelter

Brand: Simplantex
Product Code: SSFP
Availability: 6
Weight: 0.00kg

Price: £569.00

Short Description
The perfect solution for those who want a secure place for their scooter. Simply drive onto the metal base plate, pull the cover over and secure with the padlock, which is concealed behind a zip at the base of the shelter cover.

Description
The scooter shelter arrives flat packed but assembly is quite simple. Bolt the base plate to the frame, connect the aluminium bars and fit the cover. Full instructions are included.

The rear support bars, which support the shelter at waist height, prevent you from bending down to lift the shelter from the floor. Charging flaps are clear pvc so you can view the progress without opening the cover. They are situated either side for easy access. The locking arm also be secured at either side. The cover can be removed and replaced.

Spare covers are available.
