Three tier PU Riser (Dual)

Brand: Drive Medical
Product Code: CLR33
Availability: 60
Weight: 0.00kg

Price: £735.00

Short Description
The Dual Motor Rise & Recliner features a mechanism that allows independent operation of the leg rest and back rest. This provides countless recline options for finding the most comfortable position.

Description
The two motors of the Three Tier PU Riser enable leg rest to be elevated / lowered and back rest to be reclined independently to give more flexible support options
It is fully padded for increased comfort, including a three-tier waterfall back.

- Two motors for flexible support options
- Easy to clean PU material
- Quet and simple operation
- Ergonomically contoured chair

Product Features:

- Two motors enable leg rest to be elevated / lowered and backrest to be reclined independently to give more flexible support options
- Easy to clean soft feel PU material full length chaise
- Backrest can be positioned upright while leg rest is elevated, e.g.

example to watch TV
