Description
Richmond single 3’ with memory foam mattress. The Restwell collection of Electric Adjustable Beds makes relaxation and a good night sleep an affordable and very comfortable reality. This superb quality range is manufactured in the UK and is available with the new Restwell Memory Foam.

This range of beds has been developed for anybody who would like to find different positions to relax in bed. It is becoming more and more popular to sit up in bed to read or to recline in bed and watch television or a film. Sometimes it is just great to recline in bed with your feet up. In general this range provides us with the opportunity to find your perfect relax and sleep position.

The Restwell collection of Adjustable Beds can be adjusted to your desired position thus providing you with the ability to maximise your comfort. The five fold adjustable base is innovative in design and adjusts to support the five key areas, knees, hips, back, neck and head.

- Easy to use 6 button multi-position handset
- Strong, craftsman built and quality upholstered base
- All models are available in 2’6, 3’, 4’6”, 5’ or 6’. Please ring for further prices
- Five part fully adjustable multi slat bed mattress support system
- Ideal for people suffering from the following medical conditions: Asthma, Emphysema, Bronchitis, Arthritis, Rheumatism, MS, Back Pain, Circulation problems and many other conditions affecting mobility
- Upholstery and electrics conform to all relevant British and European Fire Standards

The Richmond incorporates 42 flexible slats, these conform and adjust accordingly to pressure, supporting you and providing greater comfort. This deep divan base is quality upholstered and built by UK craftsman. It offers infinite positions to help you to relax and to have a deeper, more restful and healthier night's sleep.
