Description
The Scooter Bag has been specially designed to fit neatly onto the rear of most standard electric scooters and provides a generous, zipped storage space for coats or jacket, shopping, medication, snacks, etc. It is a practical and affordable scooter accessory and enables scooter users to safely carry more, while keeping their hands free. The black Scooter Bag is water resistant and features a large zipped top closure for ease of use. There is a sturdy carry handle at the top of the bag, plus adjustable straps and buckles on the back, which easily fasten around the scooter seat. Raised rubber feet on the base keep the bottom of the bag dry when it's resting on the floor.
