Short Description

Wheelchair bag is specially designed to fit neatly onto the rear of most standard wheelchairs with pram handles.

Description

The Wheelchair Bag has been specially designed to fit neatly onto the rear of most standard wheelchairs with pram handles and provides a generous, zipped storage space for coats or jackets, shopping, medication, snacks, etc. It is a practical and affordable wheelchair accessory and enables wheelchair users and their carers to safely carry more, while keeping their hands free. The black Wheelchair Bag is water resistant and features a large zipped top closure for ease of use. There are sturdy carry handles on the front and back of the bag, plus fixed loops on either side, which easily slip over the pram handles on the wheelchair. Raised rubber feet on the base keep the bottom of the bag dry when it's resting on the floor.
