Short Description
Helps to strengthen muscles and improve balance - good fun to use in group sessions.

Description
These flexible, supple, latex-free exercise bands offer the performance benefits of natural rubber but without the associated allergy risks of latex. Ideally suited for aiding therapy and rehabilitation or for improving fitness, the bands have three levels of resistance to suit people of all ages and fitness levels.

Made from synthetic KRATON® IR polymer, the bands can be stretched repeatedly and recover their original form.

Available in two lengths to cut to the desired size and in three attractive colours.
