Description
This Transfer Turntable from Aidapt is a lightweight, portable transfer aid that provides smooth and easy rotation in any direction

Turntable assists the carer to transfer a patient safely from a chair to bed, into and out of a car, etc., and helps avoid back strain. It can also comfortably assist those with limited mobility to transfer themselves. Featuring a non-slip base and comfortable, padded velour-covered top, the Transfer Turntable is an affordable and extremely useful transfer aid for the home or car
