Product Code: SMARTI
Availability: 20
Weight: 27.30kg

Price: £1,995.00

Short Description
Remote control Folding Mobility Scooter.

Description
The Smarti is easy to operate, a lightweight folding mobility scooter which opens and closes with a remote control for ease of use, (can also be open and closed manually) ready in seconds and allows compact storage.

Reliable and dependable with its solid puncture proof tyres and a total weight of 27.3 kg.

The compact design makes it ideal for transportation, it can easily be taken or public transport, as well as being ideally suited for aeroplanes or cruise ships, with its lithium battery.

Carrying the scooter is also made easy with it’s well placed carry handle, or it can be pulled along the ground like a suitcase.

Due to the ease of folding and un-folding the scooter using a remote control key fob, the Smarti is an ideal solution for those who struggle to dismantle scooters.
